

Dear Guest of Navarra Restaurant:

We would like to take this opportunity to thank you for your support and to keep you informed about our new menus, events and special dinners at Navarra.

During my last trip to Italy this past August I was able to refuel my passion for slow food and learned the art of "pasta alla chitarra" and how to make 'Nduja Salami. As Italy and Spain have always been an inspiration for my cuisine and will always be, I would like to invite you to try our new menus and enjoy the vasco-latino and roman influences on our dishes.

We now feature Brunch on Sundays from 10:30am to 2:30pm.

On Tapas Tuesdays we now feature happy hour and live Flamenco music with Guitarists James Cohen and Izzy Martinez.

Hours of Operation: Dinner 5:30pm to 10:00pm from Tuesday to Saturday

SPECIAL DINNER

On Thursday, October 27th we will feature a "tribute to slow food" focusing in the regional and true flavours of the south of Italy: 5-course Dinner for 60.00. Dinner starts at 7:00pm - please call to reserve.

For additional information and details please visit our website.

Hope to see you soon.

Sincerely,

Chef Rene Rodriguez
